Bathroom hooks
Great little invention
By JojoJaffa on 8 January 2018

Working fine for me on high glaze tiles
Have stayed permanently in place with one large bath towel and a hand towel. Both when holding water. Our tiles are high glaze and very reflective / flat. I think the tile type has a lot to do with how well these hooks hold. For the money they are reasonable good quality and don't 'look cheap'.
By G. Bentley on 17 September 2017

Hang in there
Brilliant we can now hang our towels up! They were a little tough to push down but otherwise they were perfect and strong to take the rails.
By K. CUNNINGHAM on 21 July 2017

Tatkraft CARE
LARGE CLEAR SELF ADHESIVE CORNER PROTECTORS

- These corner guards are clear so they won't be an eye sore in your beautiful home! These will adhere to most surfaces as long as the surface is smooth and clean!
- Easy to remove adhesive – place a moderately warm cloth over the corner and allow adhesive to soften, lift from one side and peel off. Any remaining adhesive can be rolled off and you can use a little bit of furniture polish for a final clean up.
- 1 min installation – adhesive comes factory applied, strong enough to stay on but gentle enough to come off and not damage furniture. Alternate usage: for moving furniture! Protects not only the furniture corners from getting damaged but also prevents holes and marks in the walls!
- First and foremost – safety for babies and kids. Never again will you feel fearful and anxious that your child is at risk of serious injury.

Tatkraft PROTECT
TV AND FURNITURE SAFETY STRAPS
2 WHITES & 2 BLACKS

4 pack

- Compatible with most TV's: most televisions have holes on the reverse for screws; as long as these are present on your TV the wall mounts can be applied.

- Stress free: having a safety strap reduces the risk of children or pets from tipping the TV forward and damaging itself. If you have children at home then this will minimize the risk of a child tipping the TV forward. You can adjust the straps to have a higher tension to hold the TV more firmly. Mounting hardware included: all the necessary hardware to mount your flat screen TV or Furniture secure to the wall or TV stand. Two straps required for each TV or furniture, set includes 4 straps (2 whites, 2 blacks).
